Classic LED 20
All-around & tri-colour light, 12V/24V
The tri-colour and white navigation light features an improved bulb holder, simplified wiring installation and compact two-pieces design. This is one compact product with protection against electrolysis and easier and more effective electric connection.

To change the bulb follow the instructions as indicated in the pictures.

Unscrew the casing by turning it anti-clockwise

Pull the casing and change the bulbs needed

Place the casing by matching the lugs to the relevant slots and turning clockwise

- For vessels up to 20m
- Visible distance: All around: 2nm
  Tri-colour: 2nm
- 12/24V DC & 4W/ each light
- Deck mounted
- Waterproof, non corrosion, non magnetic
